*Architecture by César Pelli*

WITH ARMANI/CASA,  
WE HAVE CREATED  
A WORLD DEFINED BY  
TIMELESS ELEGANCE  
AND GRACE.

An aerial photograph of a city skyline at sunset. The sky is filled with soft, colorful clouds in shades of orange, pink, and blue. The sun is low on the horizon, casting a warm glow over the scene. In the foreground, there is a residential area with palm trees and houses. In the middle ground, a large body of water reflects the colors of the sunset. In the background, a city skyline is visible, featuring several tall, modern buildings. The overall atmosphere is serene and luxurious.

Pelli Clarke Pelli's contemporary glass tower appears as one with the crystal clear water of the Atlantic Ocean. Transparent terraces let you step into a dreamlike space suspended between earth and sky. Interiors by Armani/Casa create a world of serenity and elegance, and beautifully designed amenities offer the ultimate in true luxury.

A photograph of an interior design scene. In the foreground, a person's legs and feet are visible, wearing dark trousers and white sneakers. The person is sitting on a light-colored, textured sofa. To the right, a black, rectangular piece of furniture, possibly a coffee table, is visible. In the background, a lamp with a dome-shaped, checkered shade is lit, casting a warm glow. The wall behind the lamp is covered in a textured, light-colored fabric. The overall atmosphere is elegant and sophisticated.

“ELEGANCE  
IS NOT ABOUT  
BEING NOTICED,  
IT’S ABOUT BEING  
REMEMBERED.”

- *GIORGIO ARMANI*
